

How to find happy!

Right ho, we're dead easy to find...

Leave the M55 at J4 – signed North Shore A583 At the end of the motorway slip road turn right onto A583 Blackpool.

You'll pass **Glasdon's** on your left. Go straight on at the traffic lights. You will see the windmill on your left.

Go straight on at next set of traffic lights, and then get into the outside lane – there's no rush, but you should be in the right hand lane when you see the **Arc car wash** on your right.

*If you go past McDonalds ye gone too farrgh!
(but david will have a big mac if you're stopping?)*

Start indicating to turn right then. You'll be looking for **Wickes** and **Kwik Fit** on your right hand side. And turn right between the two onto **Metropolitan Drive**.

Follow the road round to the right and you'll see a two storey building in front of you (at the end of the road). **This is Metro House.**

If you go into reception they'll let us know you're here.

By the way there are a couple of speed cameras on that road – just watch your speed.

*But on the off chance you do get lost, fear not we can guide you in .
just call the "I'm lost helpline" on: **01253 446933***
